Company (Permittee) is engaged in operating large aircraft and has requested permission to operate an aircraft to and from Tupelo Regional Airport (Premises, arriving on at an operating weight of (Max Gross Landing Weight) listed above and departing on at an operating weight of (Max Gross Takeoff Weight) listed above. The Tupelo Airport Authority (TAA), which operates the Premises, hereby notifies and informs Permittee that the primary runway (18/36) has a PCN value of 27 FCW T. The parallel taxiway PCN varies with the lowest value of 23. The Commercial Apron's PCN is rated at 13 RCWT. TAA hereby grants permission for Permittee to operate in excess of the 1.0 ACN/PCN Ratio for one "PPR Request". Permittee shall indemnify and hold harmless TAA's from and against any and all claims arising from Permittee's use of the Premises or from the conduct of Permittee's business or from any activity, work or things done, permitted, or suffered by Permittee in or about the Premises, or any of the Permittee's agents, contractors, or employees, and from and against all costs, attorney's fees, expenses, and liabilities incurred in the defense of any such claim, action or proceeding brought thereon; and in case any action or proceeding be brought against TAA by reason of any such claim. A \$200.00 late fee will be applied to PPR forms not submitted within 48 hours of estimated time of arrival.
